Choreography fees were due on October 30th. Failure to pay may result in your dancer being dropped from routines. Please call 314.716.3302 or stop by the front desk to make your payment, right away!

Please allow your DANCER to review the YouTube links that are sent out after rehearsal practices so they can practice. Make sure that these videos are not shared on social media or with others. We are COMPETING these routines and want to protect our choreographers work.

Revised fee sheets have been emailed. Please text if you did not receive your dancers fee sheet. Make sure you call or stop by the front desk if you haven't registered your dancer's solo, duet or trio! Or Click [here](#) to register online!

MANDATORY REHEARSAL PRACTICES

We want to emphasize the importance of attending mandatory rehearsals. These rehearsals are crucial for ensuring that all students are well-prepared and confident for competition. Rehearsals foster teamwork, enhance individual skills, and allow students to fully grasp their roles within a routine. By attending, your child not only strengthens their own abilities but also contributes to the overall success of the routine.

DANCE ATTIRE AND HAIR

As we continue our classes, please remember that all dancers are required to wear all black dance attire and have their hair secured in a bun or low ponytail before entering the class. Additionally, it's essential that dancers bring the appropriate shoes for class. Please note that if these requirements are not met, your child will not be able to participate in class. We appreciate your cooperation in helping maintain a focused and professional environment for all our dancers!

****Weekend Rehearsals****

Students must still wear ALL black to class. Depending on the dance, students may be asked to wear joggers and/or T-shirts(for hip hop). They may wear black BEST t-shirts if permitted by the choreographer. But all dancers must wear a black sports bra to class and please wear BLACK socks!

HANDBOOK REVIEW AND CONTRACT SIGNATURE

As we continue to strengthen our team and ensure everyone is aligned with our goals and expectations every family is required to read the Team Handbook. We previously sent out and it is available on our website TEAM INFO PAGE. It outlines important policies, procedures, and guidelines that help create a positive and productive environment for the team. Every family must sign the contract acknowledgement. If you have any questions, don't hesitate to reach out to Ms. Judy.

[CLICK HERE](#) to digitally sign the team contract acknowledgment. This must be signed by parent and dancer Monday, November 11, 2024.

PERSONAL BELONGINGS

As we continue our busy dance season, we kindly remind everyone to keep track of personal items when visiting the studio. With the hustle and bustle of classes, it's easy to forget belongings like phones, tablets, water bottles, dance shoes, and clothing. To help avoid any lost items, please label your child's things with their name and encourage them to double-check their belongings before leaving the studio.
